# HARVEY SUPPORT

**OUR MISSION**

We believe that every man, woman, and child deserve a chance to get back on their feet after such a devastating storm, regardless of their age, status, or economic standing. Harvey Support does this by providing building materials, tools, hardware, and knowledgeable volunteers to help rebuild their homes. Through donations, sponsorships, and volunteers we can provide the materials, cabinetry, plumbing fixtures, and skilled labor at no cost to the homeowners which are low income, senior citizens, single parents or veterans.

- Many of the victims are still displaced and have limited resources to begin the rebuilding process.
- With our teams, we aim at making this a little easier and get them back to normal.

Take a home under your wings. Adopt-a-Home is a simple way to get involved. With a single cash donation of \$2,500, \$5,500, or \$10,000 *Under Our Wings* will organize the proper personnel and equipment to get a home back to livable status all the way to full build-out. The donation covers supplies, including sheetrock, insulation, tools, and key materials such as a kitchen sink, toilet, and plumbing fixtures. Volunteers will assist in the demolition and rebuilding processes.
